INTERNATIONAL CONFERENCE

ON

SUSTAINABLE ENVIRONMENTAL ENGINEERING AND SCIENCE (SEES-2019)

NOVEMBER 29 – 30, 2019

(PROCEEDINGS UNDER
SPRINGER PUBLICATIONS)

Organized by

Dept. of Civil Engineering
Dr. Sudhir Chandra Sur
Degree Engineering College
(JIS GROUP)

540, Dum Dum Road, Surer
Math, Kolkata -700074

ABOUT THE CONFERENCE

Developmental activities and industrialization due to rapid population explosion are two major concerns for environmental exploitation around the world. For balancing the relationship among economic development, operational and environment compliance, effective resource utilization is the greatest challenge leading to innovative approaches to combat these problems. In view of that, technological thrust is necessary to evolve a sustainable approach for abatement of water, air, soil, noise pollution and for the contaminants which create threat even in low concentration over a limited area. To comprehend the research initiatives in the field of sustainable technologies, the present conference is a unique international platform for researchers and academicians to share their views and ideas.

The objective of this conference is to provide a technical get-together for the academicians, engineers, personnel from research laboratories and industry for reciprocating the advances/recent findings of their research through oral and poster presentation of the technical papers on various themes. This conference will certainly provide an opportunity to learn the recent trends in sustainable Environmental Engineering for mutual benefit of the Human beings and Society.

CONFERENCE THEMES

The International Conference (SEES-2019) is oriented to include the following themes.

- Water Quality Management
- Advanced Water Treatment
- Advanced Wastewater Treatment
- Assessment and Control of Air Pollution
- Solid and Hazardous Waste Management
- Prevention of Groundwater Contamination
- Wetland Management/Phyto-remediation
- Case studies in Industrial Pollution Control
- Liquid waste management

ABOUT THE DEPARTMENT

The Department of *Civil Engineering of Dr Sudhir Chandra Sur Engineering College* was commenced in the year of 2012. It offers both B.Tech and Diploma Engineering course. The department have sound infrastructure supported by state of art laboratory. The department is also enriched with good academicians from IIT,NIT,IIST,JU and other reputed Institutions. The department is frequently conducting industrial visit, seminar, workshops, debate, quiz and other social activities. Soft skill programs are embedded as regular part of academics for better placements.
