Innovative Student Project Competition 2019

In order to encourage and recognize student talent we are organizing "Student Project Competition" for resolving the Industry Oriented Problems. A selection of finalists will be invited to present their project from various departments, where a panel of experts will choose a winner.

Deadlines:-

Innovative Idea Proposal Submission at Department: **Friday, 08.02.2019**

Innovative Idea Competition at Department: **Tuesday, 19.02.2019 (For ECE, CSE, & EE)**

Wednesday, 20.02.2019 (For CE, ME, & AUE)

Innovative Idea Competition at College: **Friday, 22.02.2019 (All streams)**

Competition format

Before the competition:

- Student is to submit a proposal summarizing why their project should be accepted and presented as a poster during competition in a prescribed format.
- Format is available with HOD of respective department.
- Submission deadline at department level: Friday 08.02.2019

During the competition at department:-

- A judging session will be held, where each student presents their project to the panel of expert judges. A panel of judges from the department will be formed comprising of three senior most members from the department.
- The panel will recommend best three projects from each department.

During the competition at college level:-

- Best three projects nominated by the experts will appear for final round from every department.
- Judges panel will be recommended by the Principal for final selection.

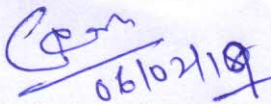

Cash Prizes of winners selected at college level:-

1st Prize: Rs. 1250/-

2nd Prize: Rs. 750/-

3rd Prize: Rs. 500/-
