

Session on Accelerators/Incubation - Opportunities for Students, Faculties -
Early-Stage Entrepreneurs
IIC Activity
Quarter IV

Objective

To facilitate the students and the faculties about the opportunities available as Early-Stage Entrepreneurs.

Benefits in terms of learning/skill/knowledge

The students, faculties and the staff members understood the opportunities provided by the Government, Institution, Incubation centres while developing an early-stage entrepreneurial idea.

Session plan/details of the event

The Institutions Innovation Council along with the Department of Mechanical Engineering had conducted the 'Session on Accelerators/Incubation - Opportunities for Students, Faculties - Early-Stage Entrepreneurs' 20th July, 2023 from 11 AM onwards in the institution auditorium. The speaker of the session was Ms. Shalini S. Biswas, founder of Easy Notes.

The session provided a clear concept regarding the initial stages of planning a start-up, the importance of LLP, what are processes for early-stage entrepreneurs, opportunities for students & faculties as early-stage entrepreneurs etc. The session ended with a Q&A session and a vote of thanks.
