

Celebration of India Startup Day

The Department of Automobile Engineering in allegiance with the Institutions Innovation Council, celebrated the India Startup Day on 16th January in physical mode from 12 PM.

The session was basically an interaction based session where a Seminar on the Topic 'Startup Opportunities Available in the field of Electric Vehicle Charging Stations' were discussed in details.

The poster features a dark red background with a white circuit board pattern. At the top, there are three logos: SurTech, Institution's Innovation Council (Ministry of HRD Initiative), and JIS Group Educational Initiatives. Below the logos, the text reads: INSTITUTIONS INNOVATION COUNCIL, DSCSITSC. The main title is 'INDIA STARTUP DAY' in large, bold, yellow letters. Below the title, the date '16th January, 2022' is displayed. Three red dots are positioned below the date. The event title 'SEMINAR' is followed by 'STARTUP OPPORTUNITIES IN EV AND EV CHARGING STATIONS'. At the bottom, the location and time are given as 'Room no. 220' and '12 PM onwards'.

SEMINAR

STARTUP OPPORTUNITIES IN EV AND EV
CHARGING STATIONS

Room no. 220
12 PM onwards

The session was attended by more than 40 students and 5 faculties of the Department. The session was really interactive as the students were keen to ask many questions about the Startup Opportunities available in the EV Charging Station field.

The recording of the sessions can be found at the YouTube Links:
