We are honoured and privileged to announce that the students from different years and Departments, Faculties and Technical Assistants have participated to enrich their knowledge through this webinar.

The speaker for the Workshop was Mr. Aashutosh Jaiswal, Owner and a Successful Start - Up Founder of Aspire Digital Media. He is also an alumnus of the Electronics and Communication Engineering Department of DSCSITSC. The speaker through his session, tried to communicate the skills one should possess to develop himself/herself as a successful Entrepreneur. As he was interactive throughout the session, students were really interested to listen him and understand the different facets of Entrepreneurship Skill, Attitude and Behaviour Development. Being an Entrepreneur himself, he shared the need of the specific attitude one should possess.

We are immensely delighted to inform you that the Webinar went extremely well. It was mainly an interaction based session. The speaker greatly motivated the participants and highlighted Engineering, Job Hunting and New-Normal in the pathway to become a successful professional.
