

Inter/Intra Institutional Idea Competition/Challenge/Hackathon
IIC Activity
Quarter I

Objective

- To reward the ideas through the Institutional Hackathon organized by IIC.

Benefits in terms of learning/skill/knowledge

- The students were rewarded for the ideas showcased during the Institutional Hackathon organized by IIC.

Session plan/details of the event

The Institutions Innovation Council along with the Department of Civil Engineering conducted the Inter-Institute Hackathon on 10th January, 2023 at the Institution Seminar Hall. The idea which won the Hackathon was represented and portrayed in the YUKTI National Innovation Repository after the conduction of the Inter-Institution Hackathon which is as follows:

- Self-Healing Concrete as a construction material
