## My Story - Motivational Session by Successful Innovator IIC Activity Quarter 1

### Objective:

1. Motivating all the promising students to be successful innovators.

### Benefits in terms of learning/skill/knowledge:

All the budding innovators understood various how the journey of an Innovator can be initiated and thus excelled.

### Session plan/details of the event:

The Institutions Innovation Council, Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex had organized a Motivational Session by a Successful Innovator on 01.11.2022, from 1.00 PM onwards. The speaker of the session was Dr. Debasish De, who has been listed in the Top 2% Scientist List of the world, as published by Stanford University, USA.

Dr. Debasish De was awarded the prestigious Boyscast Fellowship by the Department of Science and Technology, Government of India, to work at the Heriot-Watt University, Scotland, UK. He received the Endeavour Fellowship Award from 2008–2009 by DEST Australia to work at the University of Western Australia. He received the Young Scientist award both in 2005 at New Delhi and in 2011 in Istanbul, Turkey, from the International Union of Radio Science, Belgium. In 2016 he received the JC Bose research award from IETE, New

Delhi. In 2019 he received Shiksha Ratna Award from the Govt. of West Bengal. He established the Center of Mobile cloud computing (CMCC) for IoT applications.

Dr. De mentioned his recent innovations in the field of IoT applications, where he has filed ten patents till now. He expressed how the Innovations are connected with the societal requirements. He motivated and inspired the budding technocrats to innovate in their desired fields as per the societal needs. The session was very insightful as the students certainly loved to hear from one of the finest innovator himself.
