### **Session plan/details of the event:**

The Entrepreneurship and Innovation Quiz, held at Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex on 18<sup>th</sup> July,2023, was designed to test and enhance the knowledge of budding entrepreneurs and innovators among the students. The BSH department in collaboration with IIC organised the event with the aim to promote entrepreneurial thinking and encourage innovative ideas among the engineering students. Students from various engineering disciplines participated in the quiz. The quiz master of this event was Mr. Souvik Chakraborty, Asst. Professor of the department of CE. The participants were organized into teams, with each team consisting of five members. Prelims, Rapid Fire and Case Study – these three rounds were included in the contest. The questions covered a wide range of topics, such as Famous entrepreneurs and their success stories, Entrepreneurship theories and models, Innovation processes and methodologies, Social Responsibilities etc. After a cut-throat competition team ‘Ingenious’ won the contest. The event provided an excellent platform for students to test their knowledge, learn from their peers, and showcase their problem-solving abilities.
