Session plan/details of the event:

The Institutions Innovation Council along with the Department of Computer Science and Engineering conducted a Workshop on Entrepreneurship Opportunities available in the field of Cybersecurity on 17th March, 2023 from 3 PM onwards in the CSE laboratory. The speaker of the session was Dr. Shefalika Ghosh Samaddar, who herself has done a huge amount of research in the field of the same. Apart from sharing the innovations done in the Cybersecurity, the speaker also briefly mentioned what are the entrepreneurship opportunities available in this area. The session was hugely beneficial for the students as they understood both the innovation and entrepreneurship opportunities available in the field in Cybersecurity.
