

World Entrepreneurs Day
Celebration Activity
Quarter IV

Objective

To celebrate the World Entrepreneurs day at our institute.

Outcome

The students understood how an Entrepreneurial journey can be pursued.

The Institutions Innovation Council along with Idea-o-Meter, celebrated the World Entrepreneurs Day on 21st August at the Institution Auditorium. More than 76 students and 19 faculties had participated in the session. The session was coordinated by a group of students who have recently started a entrepreneurial journey of developing an Automotive Workshop, which has a huge market share in this recent scenario. The group known as Invigorate expressed their journey and how they had developed the idea and what are the outcomes they are expecting out of it. The session was really invigorating to the students, who dream of pursuing their own entrepreneurial journeys.
