## Message From Principal's Desk

*"A beautiful life does not just happen; it's built daily by prayer, humility, sacrifice and hardwork".*

I am glad to convey my best wishes and message through this newsletter during this crisis period when everyone is fighting hard to combat with COVID19, to all faculties, staff and students of Department of Basic Science and Humanities Department.

Prof. (Dr.) Saradindu Panda

Dear Students,

If you are determined to work hard to achieve your goal, nothing in this world can deter you from achieving your goal. However, if at the outset you fail to get your goal, figure out whether something change needed in your set goal as per your potential.

**Again work with great vigor you will definitely achieve your goal. If you have set your goal, strive hard to achieve it and the success will be yours. Taking excuse for not doing things is very easy, equally easy is finding reasons, ways and means for doing it.** Your enthusiasm, support and cooperation during this crisis period are appreciable. Covid-19 has given us many reasons to look into the other side of the table. Mother Earth, Nature, Plants, Animals and Birds are demanding many things from the Human being. It's right time to understand the need of the day. Education and learning can't be stopped. Love, affection, respect, kindness, desire, positive attitude and optimistic approach can't be locked down.

**Try to develop positive mindset and attitude, so that a value based success and goal can be achieved.**

A quotation for all my budding technocrats:

**"There is a great difference between worry and the concern, a worried person sees a problem and concerned person solves a problem."**

Till next newsletter all the best!

## *Message From H.O.D.'s Desk*

**The Department of Basic Science & Humanities** is one of the most active Department of this Institute. We offer students a good education in Basic level as well as higher level in a sophisticated student's friendly environment.

It is needless to describe, BS & Hu is always potentially rich Department from where students receive multiple subject's knowledge like **Mathematics, Physics, Chemistry, Environmental Science, Humanities and Business & Economy**. Our well educated and experienced teachers help students to make a solid backbone as an initiation about their core stream knowledge.

It is indeed my great pleasure that our Department is publishing Newsletter having anchored with each and every aspect of activities, events, achievements in the pandemic time period of January-December, 2021.

**I extend my warm and best wishes to all the Faculty members, TAs and my beloved Students of the Department for configuring this Newsletter, Volume: 3, No.1.**

## Pillars of the Department

The **Department of BSH** comprises **six** branches which are regulated by various faculties.

◆ Dr. Biswajit Gayen – HOD

Assistant Professor of **Chemistry**

◆ Ms. Pallabi Bose

Assistant Professor of **Mathematics**

◆ Mr. Vivek Shaw

Assistant Professor of **Mathematics**

◆ Ms. Nibedita Biswas

Assistant Professor of **Humanities**

◆ Ms. Debasmita Roy Choudhury

Assistant Professor of **Humanities**

◆ Dr. Sayari Biswas

Assistant Professor of **Physics**

◆ Mrs. Rituparna Chatterjee

Visiting faculty of **Biology**

◆ Mr. Nilanjan Singha Roy

Visiting faculty of **Economics**

◆ Mr. Abhishek Paul

TA of **Physics**

◆ Mr. Mahendra Sahu

TA of **Chemistry**

## About the Department

The **Department of Basic Science and Humanities** consists of the branches **Physics, Chemistry, Mathematics, Biology, Economics** and also subjects of **Humanities** including **English**. These subjects lay the essential foundation for all branches of engineering and the faculty members do share their knowledge to meet the needs of the engineering students to fulfil their aspirations.

This Department has well-equipped **Laboratories** of **Physics, Chemistry** and also of **Language** for helping the students to acquire experience regarding the practical application of their cognitive skills.

The Department endeavours to create a unique identity by not only catering to the students' requirements for enhancing their verbal skills, managerial activities, but also builds up their confidence by grooming them through **Personality Development Session, Mock Interviews, Seminars, Presentations** and **Group Discussions**.

The **Department of BS & HU** has faculties from various fields to train the students proficiently aiming at achieving an all-round development to strive for excellence in whichever fields they pursue.

---

## **Departmental Vision**

- To provide guidance to the students in furthering their future prospect and giving impetus to their creativity
- To encourage students to imbibe the best humane and professional values.

## **Departmental Mission**

- To inculcate the importance of Basic Science and develop a natural flair for Engineering & Technology.
- To create academic excellence in fundamental Science & Humanities.
- To produce competent professionals through innovative teaching methodologies
- To play constructive role as a supporting department in imparting high quality education.

## **Objectives of the Department**

- To impart sound knowledge of mathematical concepts.
- To inculcate a reverence for Physics and develop a direct link between Physics and Engineering subjects.
- To improve their knowledge in Chemistry and provide a solid foundation.
- To enhance the communication skill of the students that would help them to build their self-confidence
- To gain an awareness regarding socio-economic issues of the present world.

## Mentorship Activities

Mentorship refers to a relationship that connects two individuals, Mentor and Mentee to facilitate a healthy transfer of knowledge from the former to the latter.

Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex has introduced mentorship programme for all the students irrespective of streams. The purpose of this initiative is to ensure that the students are guided well and given right direction by the faculties.

The faculties of Basic Science & Humanities have participated in this programme and performed their duties as Mentors.

The departmental mentorship activities are listed below:

**# Rules and regulations regarding online classes and institutional activities**

**# NPTEL, Basket of MOOCS**

**# PTM for regular interaction with guardians**

**# Awareness for Student Credit Scheme launched by WB Govt.**

**# Resolving doubts and subjective issues.**

Sr.No.	Faculty Name	Class	No. of Students
1.	Dr. Biswajit Gayen	Robo+ME+CE+ECE +EE (1 <sup>st</sup> Sem) + Diploma AUE (2 <sup>nd</sup> Sem)	27 +23
2.	Mr. Vivek Shaw	CSE Section A Gr A (1 <sup>st</sup> Sem)	40

4.	Ms. Nibedita Biswas	CSE Section B Gr A (1 <sup>st</sup> Sem)	40
5	Ms. Debasmita Roy Chowdhury	CSE Section B Gr B(1 <sup>st</sup> Sem)	49
6.	Mr. Abhishek Paul	Diploma AUE (1 <sup>st</sup> Sem)	25

## ACHIEVEMENT OF THE DEPARTMENT

Since the teachers have the power to enlighten innumerable minds, they are, most importantly, required to embark upon this life-long journey of self-development.

Considering self-grooming as a major concern, the faculties of Basic Science and Department have been constantly enrolling themselves in different **faculty development programmes, research and publication activities** at different times of the year. The effort of the faculties is reflected in the excellence of the students.

## Online Classes

Online learning is one of the imminent trends in the education sector around the globe. Online classes are a combination of video recordings and live lectures with course reading and tests.

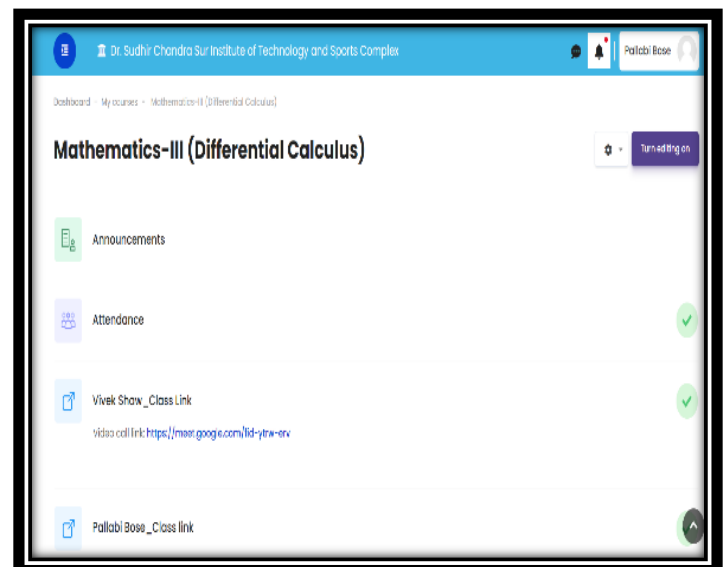

For this purpose Faculties utilized different online teaching platforms like~

- Google Classroom
- Google Meet
- LMS Portal
- YouTube Chanel
- Others

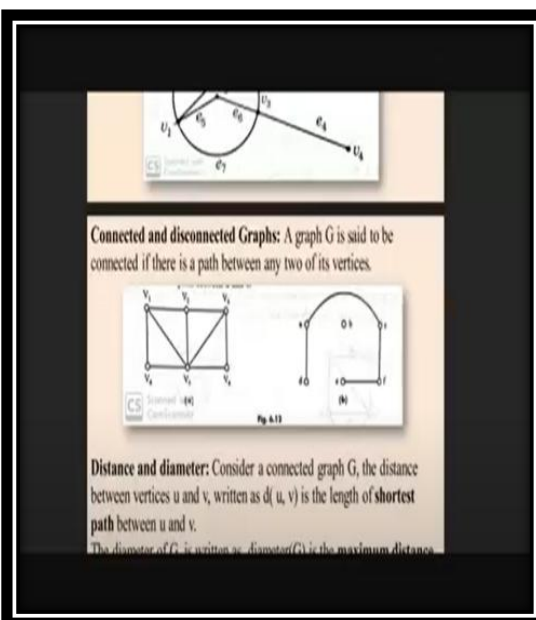

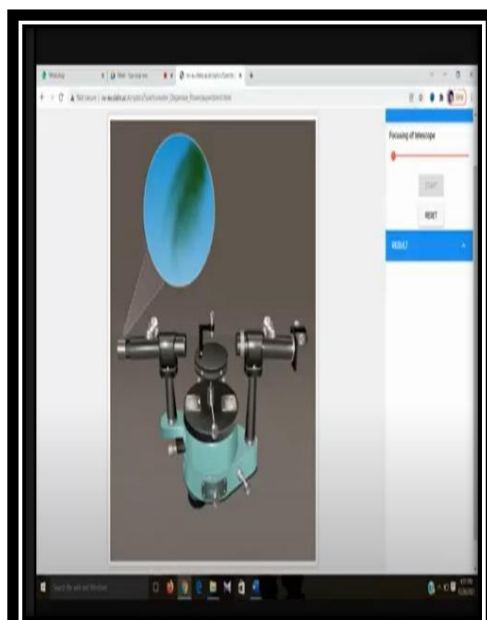

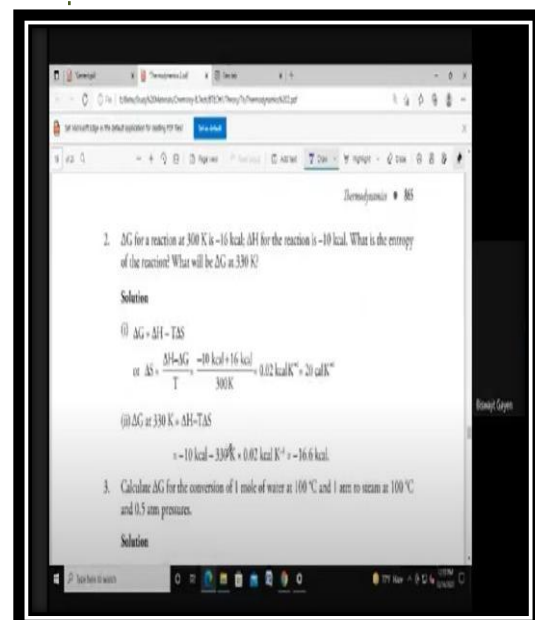

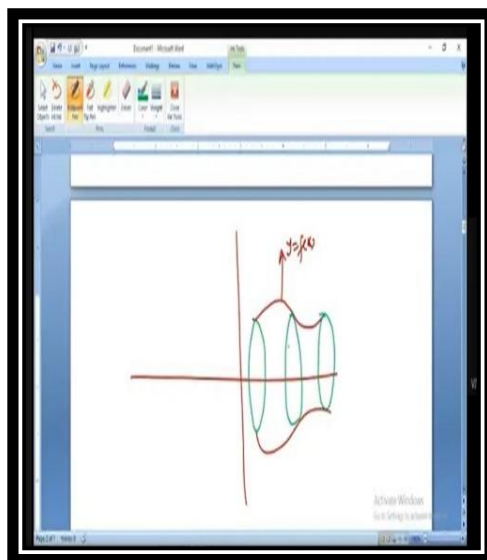

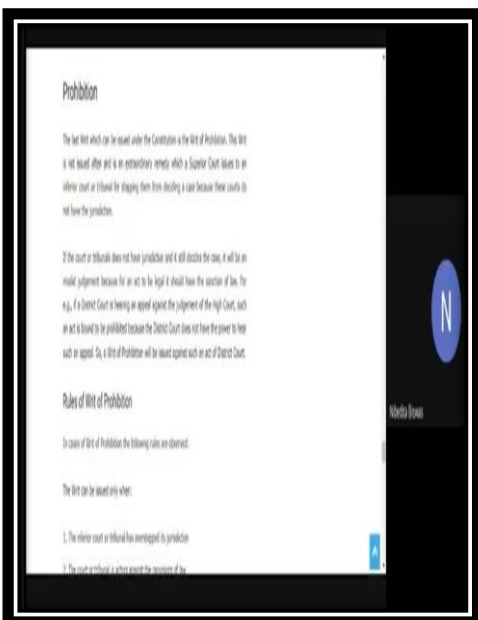

Module	No. of Lec.	Link of Video Lecture*	Link of PPT/Content	Link of Bibliography/Reference	Link of Assignment	Prepared by	Uploaded by	Verified by
Module - 1: Definition of Partial Differential Equations, First order partial differential equations, solutions of first order linear PDEs; Solution to homogenous and non-homogenous linear	14					Pallabi Bose	Pallabi Bose	Pallabi Bose
						Pallabi Bose	Pallabi Bose	Pallabi Bose
						Pallabi Bose	Pallabi Bose	Pallabi Bose

- ❖ Total online classes conducted till date: **1895**
- ❖ Overall Percentage of students attendance in live class: **85%**
- ❖ Frequency of assignment/task given to students: **6 out of 10 classes**

## Virtual Lab

Modern technology has helped us towards usage of digital devices in education. In Covid 19 situation it also helped spread e-learning platforms. Technology has benefited education is the emergence of virtual labs. In virtual labs real science lab is simulated to link the practical side with the theoretical side.

Our Department specially, Chemistry and Physics utilizes that golden opportunity during their Laboratory Classes.

## National Youth Day

Basic Sciences and Humanities Department of Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex celebrated **Swami Vivekananda's 158th birthday on 12 January 2021** with 1st year B.Tech and Diploma students. This day is also observed as "**National Youth Day**". Swami Vivekananda was vocal about the importance of youth in the process of nation-building and thus it is of prime importance to make our students understand the values

and ideologies presented by Vivekananda in his life time. **More than 50 students actively participated in this celebration through various means such as posters, slogans, poems & video clips created by them in which they have showcased the ideologies and principles followed by Vivekananda.**

## 125<sup>th</sup> Birth Anniversary of Netaji Subhas Chandra Bose

Basic Science and Humanities Department of DSCSITSC has celebrated the **125th Birth Anniversary** with first year B.Tech and Diploma students. Netaji Subhash Chandra Bose was a scholar, a patriot, a leader, an intellectual, a visionary, a socialist, and a warrior.

This day is the day to reaffirm our commitment to unity in diversity, fraternity and equality of our nation. **The event started with a flag hoisting ceremony at the college premises followed by the National Anthem and Vande Matram being sung by the faculty and staff members.** The event also witnessed live cultural performances by students from first year to fourth year. This was a unique celebration of its kind and it turned out to be successful with active participation the students and faculties.

## International Mother Language Day

With great enthusiasm Basic Science and Humanities Department has celebrated the **"International Mother Language Day"** on Sunday, 21st February, 2021 has celebrated the "International Mother Language Day" on Sunday, 21st February, 2021 to **acknowledge the significance of the practice of mother-tongue and to honor linguistic diversity across our nation.**

The students have filled in the ambience of the event with their performances on singing, recitation and displaying posters reflecting the essence of respective mother-tongues. Their performances have added colours to the event.

## Rabindra Jayanti

Basic Science and Humanities department has observed **Rabindra Jayanti on 9th May, 2021**. The event has been a small gesture of tribute to the man of pride who tied the culture of Bengal with strings of melody and words, being praised and celebrated worldwide. **The program was participated by the Alumni, students and staff members irrespective of all departments.**

The students performed songs, played musical instruments, recited the poems of Rabindranath Tagore. The enthusiasm and spirit of our students has made this cultural programme a grand success.

## World Environment Day

Department of Basic Science & Humanities along with the department of Civil Engineering has celebrated **World Environment Day on 05th June 2021** on Google meet Platform.

**Dr A. B. Samaddar, Director, DSCSITSC has presented the transformation process from unsustainable to sustainable development. Our Chief Guest Padmashree Prof (Dr) Ajoy Kumar Ray presented his wisdom words on Environment and Sustainability including effect of pollution on air, water and soil. This day demands a pledge to be taken by all of us to ensure our next generation with a better living and healthy environment.**

## “Agamoni”

**‘Agomoni’**- the cultural event was held virtually to celebrate **the festive spirit of pre Durga Puja**. Students with utmost enthusiasm participated in the programme and have showcased their talents. They have performed dances, sang songs, recited poetry and speeches and have also shared their concepts of the festivals through their paintings. The vibrant teacher- student coordination has made the programme a noted success.

## Photography Competition

This event was arranged to promote a healthy competition among the 1st year students who are deft in capturing moments that are unique and of special significance. Several photographs were submitted and on the basis of experts' judgements, the following ones have been chosen as the winners of the event-

1. **Soumik Chakraborty**
2. **Arghyadeep Paul**
3. **Arup Banerjee**
